Introduction

The purpose of these rules and regulations is to establish procedures to assure that residents will be able to enjoy their condominium home and the use of North Bay Village facilities in a pleasant and harmonious environment.

Condominium living is becoming increasingly popular and there are distinct differences from single-family homes and rental complex's. Since numerous residents live and relax in close proximity to each other, it is imperative that residents and their guests adjust to these differences from other lifestyles and accept new responsibilities.

Each unit owner, tenant, invitee, relative, or guest, hereinafter referred to as "resident(s)" of the condominium unit, shall be governed by Florida Condominium Statues and by the following rules and regulations, in addition to the obligations and duties set forth in the declaration of Condominium and the Associations By-Laws, Articles of Incorporation and any amendments to these documents.
